### RISK ACKNOWLEDGEMENT AND RELEASE AND INDEMNITY

I am aware that canoeing and kayaking, hiking, camping and related activities may involve risk, hazards and danger (foreseen and unforeseen) to person and property.

In return for being permitted to participate in Dene Voyageur Heritage Society / Blackwater Paddlers events, I HEREBY RELEASE, SAVE HARMLESS AND INDEMNIFY the Dene Voyageur Heritage Society / Blackwater Paddlers, their agents, volunteers, trip coordinators and organizers from all manner of actions, cause of action, claims and demands of whatever nature which result from any injury, death, property damage, loss or other harm I or members of my family may suffer in any way connected with participation in any program or attendance at any location operated by the Dene Voyageur Heritage Society / Blackwater Paddlers including, but not limited to, negligence or other breach of duty.

This Release and Indemnity is binding on me and my heirs, executors, administrators and all others who may act on my behalf and the minors whose names appear below, if any. I confirm that I am the legal guardian and representative of such minors, if any.

*I confirm that I have read and understood this Release and Indemnity.*

Date:..... Signature.....

On any club events where children or other under-age dependents are registered as participants, it will be necessary for a parent or guardian to sign the trip waiver on their behalf.

If you have particular areas of interest or expertise for helping with club activities, please note them here.  
(Eg. instruction, education, trip planning, social events, publicity, phoning & emailing etc.)

Any suggestions for our trip planners? Many planned events in recent years have not attracted enough paddlers for the trip to proceed. Any ideas for bringing out more people would be welcomed by the trip committee.
